

Vision / Short Term Trip Debrief Questions

General Takeaways / Experience

- How has it been? What did you enjoy?
- What's a memory / experience / story that sticks out / impacted you?
- Biggest takeaway from your time here?
- Anything that has been challenging in your short time in [your location]? (or that you would anticipate to be challenging if you came here long-term?)
- Was it what you expected or pretty different?
- Any parts of the trip that you'd rather not do / what was the best parts / impactful?
- How did you experience the spiritual climate? Did you experience any spiritual warfare? If yes, how did that make you feel?
- Do you have any feedback for us or for the vision trip overall?

Learnings

- What do you feel God has been teaching you / saying to you? About Himself or about yourself?
- Main things you learned about our team? About the ministry?
- Most memorable thing you learned about [your location] culture? What surprised you / what was challenging?
- How was your experience with local believers? What did you learn? How did that experience challenge you?

Questions

- Any burning questions we can answer?

Next Steps

- How would you describe [your location] overall? How would you describe the team and ministry overall?
- What's something that you want to continue to process after the trip, either personally or with others?
- What role do you think you could play on this team / why would you want to join this team?
- What's the biggest area of growth you think you need to focus on before you launch to the field?
- What are the things you are still hoping to hear from the Lord / questions you need to listen for?
